GENERAL DEPARTMENT, 28th June, 1838.

All Public Officers of Government sending Advertisements to the Calcutta Gazette for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

FORT WILLIAM, FINANCIAL DEPARTMENT,

Tue 18th June, 1838.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

| | |
|---|---------|
| Per Company's Rupee for Advances made at..... | Bengal. |
| Ditto..... Ditto..... | Madras. |
| Ditto..... Ditto..... | Bombay. |
| Per Spanish Dollar, Ditto..... | China. |

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

MINT.

THE 9th MAY, 1838.

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Furruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for recoinage, without demand of Seignorage duty—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. If the coin brought be better than standard, the advantage will be given according to the Tables, but counterfeit pieces, as well as drilled, plugged and other bad coin, will of course be rejected. The Mint of Calcutta will not however receive a less quantity of the coins above specified than 1,000 Tolas, but for the convenience of Officers and Soldiers and other persons in public employ, less sums than 1,000 Tolas will be exchanged on the same terms at the General Treasury,—the Sub-Treasurer having been authorized to collect them for transmission to the Mint.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,**

THE 23d MAY, 1838.

The Hon'ble the Deputy Governor of Bengal directs that the following Extract from a Dispatch from the Hon'ble the Court of Directors in the Financial Department, dated the 20th March last, be published for the information of the Members of the Civil Service of this Presidency:

Para. 1. In our Dispatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Retiring Funds of two-thirds of the unaccepted Annuities of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us particular information of the state of the Funds at that date, and of the effect produced by the authorized modification in order that we might determine upon the propriety of its continuance.

2d. We rely upon receiving the information required as soon as possible after the appointed period—but to prevent inconvenience from the declaration of our intentions not having reached India at the date of the expiration of the time to which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors, in the Financial Department, dated the 28th March 1838, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.*

5. In our Despatch to Bombay in this Department dated the 6th July 1836, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency. You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, as is Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

FORT WILLIAM.

GENERAL DEPARTMENT, 26TH JUNE, 1836.

All Public Officers of Government sending Advertisements to the Calcutta Gazette for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

FORT WILLIAM, FINANCIAL DEPARTMENT,

THE 15TH JUNE, 1836.

Notice is hereby given, that under instructions just received from the Honourable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1831.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

|-------|---|---------|
| a. d. | Per Company's Rupee for Advances made at..... | Bengal. |
| | Ditto..... | Madras. |
| | Ditto..... | Bombay. |
| | Per Spanish Dollar, Ditto..... | China. |

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advances, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

MINT.

THE 9TH MAY, 1838.

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Farruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for recoinage, without demand of Seigniorage duty.—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. In our Despatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Retiring Funds of two-thirds of the unaccepted Annuities of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us particular information of the state of the Funds at that date, and of the effect produced by the authorized modification in order that we might determine upon the propriety of its continuance.

2d. We rely upon receiving the information required as soon as possible after the appointed period—lest to prevent inconvenience from the declaration of our intentions not having reached India at the date of the expiration of the time to which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

H. T. PRINSEP,
Secy. to the Govt. of Bengal.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,**

THE 27TH JUNE, 1838.

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors, in the Financial Department, dated the 28th March 1838, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.*

5. In our Despatch to Bombay in this Department dated the 6th July 1836, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency. You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, as is Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

By Order of the Hon'ble the Deputy Governor of Bengal,

H. T. PRINSEP,
Secy. to the Govt. of Bengal.

**FORT WILLIAM,
POLITICAL DEPARTMENT,**

27TH JUNE, 1838.

The Honorable the President in Council directs, that the following Extract from a despatch from the Hon'ble the Court of Directors, No. 20, dated the 20th September 1837, and the Resolution of Government of this date, be published for general information:

Para. 15. "Some misunderstanding appearing to have arisen on the subject of our Orders, that the Net Pay of Military Officers in Civil situations shall merge in the consolidated allowance, we think it necessary to state, that the allowance may be drawn for either in one Bill or in two Bills, according to convenience; but our intention is, that the Net Military Pay shall be debited to the Military, and the remainder of the allowance to the Political Department."

Resolution—In order to give effect to the instructions contained in this paragraph, it is hereby notified, that the Officers of the different Military Establishments of the three Presidencies, who may now be holding, or may hereafter be appointed to Civil situations, on account of which they may draw a consolidated Civil Salary, shall be paid the monthly Salary, that may fall due to them for the month of July and subsequently upon separate Bills drawn in the Forms annexed. The Bill in the first of the annexed Forms shall be submitted for audit to the Civil Auditor of the Presidency under which the Officer may be serving, who will audit it with the deduction for Military Pay according to rank. In cases of antedated promotion when there is back pay of a superior rank to be paid to an Officer, the adjustment between the Civil and Military Departments shall be made in account, without requiring from the Officer fresh

Pay Abstracts. The adjustment of subscriptions ■ Military Funds, &c., consequently on such promotion will be made in the audit of subsequent Pay Abstracts. The other Bill for Military Pay must be submitted to the Military Auditor of the Presidency to which the Officer may belong, and by that Officer will be audited, subject to deductions for funds and other usual or prescribed retrenchments according to the Military rules of the Presidency. The Bill so audited will be payable in part of the allowances of the Civil situation at the Treasury of the place, unless otherwise desired by the Officer, and authorized by the Government. The Military Pay Bill, if discharged from a Civil Treasury ■ a different Presidency, will, of course, be credited in account as a remittance to the Presidency to which the Officer may belong.

The Officers of Account at the three Presidencies will adjust in their accounts the Salaries drawn by Military Officers in Civil employ since the 1st May last, on the same principle as is above prescribed for Salaries drawn after the 1st July.

By Order of the Hon'ble the President in Council,
H. T. PRINSEP,
Secy. to the Govt. of India.

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea Risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whatsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

MINT.

THE 9TH MAY, 1838.

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Furruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for recoinage, without demand of Seigniorage duty.—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. If the coin brought be better than standard, the advantage will be given according to the Tables, but counterfeit pieces, as well as drilled, plugged and other bad coin, will of course be rejected. The Mint of Calcutta will not however receive a less quantity of the coins above specified than 1,000 Tolas, but for the convenience of Officers and Soldiers and other persons in public employ, less sums than 1,000 Tolas will be exchanged on the same terms at the General Treasury, the Sub-Treasurer having been authorized to collect them for transmission to the Mint.

THE 2ND MAY, 1838.

The Hon'ble the Deputy Governor of Bengal directs that the following Extract from a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 20th March last, be published for the information of the Members of the Civil Service of this Presidency:

Para. 1. In our Despatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Bidding Funds of two-thirds of the unexpended Annuidia of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us particular information of the state of the Funds at that date, and of the effect produced by the authorized modification in order that we might determine upon the propriety of its continuance.

We rely upon receiving the information required as soon as possible after the appointed period, but to prevent inconvenience from the declaration of our intentions not having reached India at the date of the expiration of the time to which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

Secy. to the Govt. of Bengal.

THE 27TH JUNE, 1838.

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors, in the Financial Department, dated the 28th March 1838, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.*

5. In our Despatch to Bombay in this Department dated the 6th July 1836, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency. You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, and Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

By Order of the Hon'ble the Deputy Governor of Bengal,

H. T. PRINSEP,
Secy. to the Govt. of Bengal.

UNION BANK.

THE Seventeenth Half Yearly General Meet-
ing of Proprietors is appointed for Saturday,
the 14th proximo, at noon, for the inspection of
Accounts and transaction of General Business, also
for the Election of four Directors in the room of
Bahadur Deekhanath Tagore, Robert Scott Thomp-
son, Esq., Baboo Promothanath Day, and Baboo
Prossanno Coomar Tagore, whose period of service
has expired.

By order of the Directors,

JOHN STORM,

Acting Secy. to the Union Bank.

June 25, 1838.

The Accounts of the six months ending 30th instant,
will be on the Table on and after Thursday, the
12th proximo.

The Directors further give notice that the afore-
said Half-yearly General Meeting is made Special,
for the consideration of a claim preferred by Mr.
J. J. D'Anselme, a Proprietor, for a proportion of
profits arising on the sale of certain forfeited Shares
of Bank Stock sold at the General Meeting of Pro-
prietors on the 16th February last.

JOHN STORM, Actg. Secy.

UNION BANK.—By the Union Bank Resolutions
of 15th January 1838, (the 3d in particular)
the Acting Secretary's Notification turning those Shares
of New Stock that were not taken up "forfeited," is
erroneous.

It was optional with Proprietors to pay for New
Stock or take the chance of Sale for their benefit.

This public notice is taken of the Union Bank's
Notification that appeared in this Paper of the 7th inst.
and previous days, to correct an error that the Acting
Secretary is unwilling to do: particularly as that Noti-
fication does not accord with the tenor of the requi-
sition to make the next Half-yearly Meeting Special,
but seems framed more to suit the views of an adverse
party.

FORT WILLIAM,
GENERAL DEPARTMENT, 26TH JUNE, 1838.

All Public Officers of Government sending Advertisements to the *Calcutta Gazette* for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, *Secy. to the Govt.*

FORT WILLIAM,
FINANCIAL DEPARTMENT,
THE 15TH JUNE, 1838.

Notice is hereby given, that under Instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve; and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

| | | |
|-------|---|---------|
| a. d. | For Company's Rupee for Advances made at..... | Bengal. |
| | Ditto..... Ditto..... | Madras. |
| | Ditto..... Ditto..... | Bombay. |
| | For Spanish Dollar, Ditto..... | China. |

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company, (without either notice to or concurrence of any person whatsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, appointing the Agent in England for each transaction.

The Honorable the President in Council gives notice, that the Mint Master at Calcutta has been authorized to receive, until further orders, Madras Rupees of full weight at their intrinsic par, viz. as equal to Company's Rupees, without any charge of seignorage for recoinage.

MINT.

THE 9TH MAY, 1838.

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Furruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for recoinage, without demand of Seignorage duty—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. If the coin brought be better than standard, the advantage will be given according to the Tables, but counterfeit pieces, as well as drilled, plugged and other bad coin, will of course be rejected. The Mint of Calcutta will not however receive a less quantity of the coins above specified than 1,000 Tolas, but for the convenience of Officers and Soldiers and other persons in public employ, less sums than 1,000 Tolas will be exchanged on the same terms at the General Treasury,—the Sub-Treasurer having been authorized to collect them for transmission to the Mint.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,**

THE 23RD MAY, 1838.

The Hon'ble the Deputy Governor of Bengal directs that the following Extract from a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 20th March last, be published for the information of the Members of the Civil Service of this Presidency:

Para. 1. In our Despatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Sinking Funds of two-thirds of the unaccepted Annuities of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us particular information of the state of the Funds at that date, and of the effect produced by the authorized modification in order that we might determine upon the propriety of its continuance.

2d. We rely upon receiving the information required as soon as possible after the appointed period—but to prevent inopportunities from the declaration of our intentions not having reached India at the date of the expiration of the time in which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

H. T. PRINSEP,
Secy. to the Govt. of Bengal.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,**

THE 27TH JUNE, 1838.

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 28th March 1838, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.*

5. In our Despatch to Bombay in this Department dated the 6th July 1836, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency. You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, as is Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

NOTICE.—All the Letters delivered at this Office from the 14th to 17th ultimo, inclusive, for transmission to Penang, Singapore, Malacca and China, respectively, by the "Bengal Packet," have been forwarded to their several destinations by the "Forth."

The delay which has taken place in the transmission of the abovementioned Letters, is explained in the subjoined copy of a Letter from the late Chief Officer of the "Bengal Packet."

TO THE POST MASTER GENERAL.

SIR,—Herewith I have the honor to transmit Seven Post Office Packets Mails which were shipped on the "Bengal Packet" for Singapore and China. On receipt of them they were placed in my chest for greater security, but as I was arrested and taken out of the Ship, they were sent on shore with my clothes. Upon my release I observed them amongst my clothes, and have taken this (the first) opportunity of delivering them up.

In conclusion, I must beg to state that no blame can be attached to Captain Steward as he is not aware of their being missing, nor will he be so until his arrival at his destination.

I have, &c.,

(Signed) GEORGE MIDDLETON,

Late Chief Mate of the Bengal Packet,

Calcutta, July 9th, 1838.

The undermentioned Transfers of Letters were effected in consequence of the Packets having reached Kedgees too late to overtake the vessels, for which they were originally intended.

FORT WILLIAM,

GENERAL DEPARTMENT, 30th June, 1838.

All Public Officers of Government sending Advertisements to the *Calcutta Gazette* for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

FORT WILLIAM,

FINANCIAL DEPARTMENT,

2nd June, 1836.

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, in six months sight, at the rate of—

s. d.

| | |
|---|---------|
| Per Company's Rupee for Advances made at..... | Bengal. |
| Ditto..... | Madras. |
| Ditto..... | Bombay. |
| Per Spanish Dollar, Ditto..... | China. |

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, when any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be Insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

FINANCIAL DEPARTMENT,
THE 21st MARCH, 1836.**

The Honorable the President in Council gives notice, that the Mint Master at Calcutta has been authorized to receive, until further orders, Madras Rupees of full weight at their intrinsic value, viz. as equal to Company's Rupees, without any charge of seigniorage for recoining.

H. T. PRINSEP, Secy. to the Govt. of India.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
MINT.
THE 9th MAY, 1836.**

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Ferruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for recoining, without demand of Seigniorage duty—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. If the coin brought be better than standard, the advantage will be given according to the Tables, but counterfeit pieces, as well as drilled, plugged and other bad coin, will of course be rejected. The Mint of Calcutta will not however receive a less quantity of the coins above specified than 1,000 Toles, but for the convenience of Officers and Soldiers and other persons in public employ, less sums than 1,000 Toles will be exchanged on the same terms at the General Treasury.—the Sub-Treasurer having been authorized to collect them for transmission to the Mint.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
THE 23rd MAR, 1836.**

The Hon'ble the Deputy Governor of Bengal directs that the following Extract from a Dispatch from the Hon'ble the Court of Directors in the Financial Department, dated the 30th March last, be published for the information of the Members of the Civil Service of this Presidency:

Para. 1. In our Despatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Retiring Funds of two-thirds of the unaccepted Annuities of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us a detailed information of the state of the Funds at that date, and of the effect produced by the authorized withdrawal in order that we might determine upon the propriety of its continuance.

2d. We rely upon receiving the information required as soon as possible after the expiration of the period, but to prevent inconvenience from the destination of our instructions not having reached India at the date of the expiration of the time to which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

H. T. PRINSEP,
Secy. to the Govt. of Bengal.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
THE 27th JUNE, 1836.**

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors, in the Financial Department, dated the 20th March 1836, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.*

5. In our Despatch to Bombay in this Department dated the 6th July 1836, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency. You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, as is Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

H. T. PRINSEP,
Secy. to the Govt. of Bengal.

**FORT WILLIAM,
GENERAL DEPARTMENT, 26TH JUNE, 1838.**

All Public Officers of Government sending Advertisements to the *Calcutta Gazette* for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, Secy. to the Govt.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
THE 15TH JUNE, 1836.**

Notice is hereby given, that under instructions just received from the Honorable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve: and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Governments, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

a. d.

| | |
|---|---------|
| Per Company's Rupee for Advances made at..... | Bengal. |
| Ditto..... | Madras. |
| Ditto..... | Bombay. |
| Per Spanish Dollar, Ditto..... | China. |

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed so to do.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk: as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whatsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
Tue 21st March, 1838.**

The Honorable the President in Council gives notice, that the Mint Master at Calcutta has been authorized to receive, until further orders, Madras Rupees of full weight at their intrinsic par, viz. as equal to Company's Rupees, without any charge of seigniorage for receiptage.

By Order of the Hon'ble the President in Council,
H. T. PRINSEP, Secy. to the Govt. of India.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
MINT.
Tue 21st Mar, 1838.**

The Public is hereby informed, that the Mint Master of Calcutta has been authorized, until further orders, to receive Bombay and Farruckabad Rupees in like manner as Madras Rupees, and generally the Rupees issued from any Mint of the British Government that may still be a legal tender in any part of India for receiptage, without demand of seigniorage duty—Rupees of any such coinage will be received by weight according to the forms of the Mint for the receipt of Bullion, and if of equal standard a Mint Certificate will be granted entitling the holder to Company's Rupees of equal weight. If the coin brought be better than standard, the advantage will be given according to the Tables, but counterfeit pieces, as well as drilled, plugged and other bad coin, will of course be rejected. The Mint of Calcutta will not however receive a less quantity of the coins above specified than 1,000 Tolas, but for the convenience of Officers and Soldiers and other persons in public employ, less sums than 1,000 Tolas will be exchanged on the same terms at the General Treasury,—the Sub-Treasurer having been authorized to collect them for transmission to the Mint.

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
Tue 23d Mar, 1838.**

The Hon'ble the Deputy Governor of Bengal directs that the following Extract from a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 20th March last, be published for the information of the Members of the Civil Service of this Presidency:

Para. 1. In our Despatch to India in this Department dated 27th May 1835, we sanctioned for a limited period and on specific conditions the appropriation to Subscribers to the Civil Service Retiring Funds of two-thirds of the unaccepted Annuities of each year at one-fourth instead of one-half their value, and we desired that twelve months before the expiration of the period fixed there might be transmitted to us particular information of the state of the Funds at that date, and of the effect produced by the authorized modification in order that we might determine upon the propriety of its continuance.

2d. We rely upon receiving the information required as soon as possible after the appointed period—but to prevent inconvenience from the declaration of our intentions not having reached India at the date of the expiration of the time to which the trial of the

plan was limited, we are willing to enlarge that limitation to the 30th of April 1840; and we desire to be furnished with an account made up to the 30th of April 1839, similar to that required in our Despatch above referred to.

**H. T. PRINSEP,
Secy. to the Govt. of Bengal.**

**FORT WILLIAM,
FINANCIAL DEPARTMENT,
Tue 27th June, 1838.**

The Hon'ble the Deputy Governor of Bengal directs, that the following Extract from a Despatch from the Hon'ble the Court of Directors, in the Financial Department, dated the 20th March 1838, be published for information.

14. *Relates to Application from Messrs. Bruce, Shand and Co. for advance upon Goods consigned to Liverpool, the Bills being payable in London, which was refused.*

5. In our Despatch to Bombay in this Department dated the 6th July 1830, a copy of which was forwarded for your information, we authorized the Bombay Government so far to relax the Regulations for effecting remittances as to make advances on Goods consigned to Liverpool, in consideration of its being almost exclusively the Port of the great Cotton District of England, but with the proviso that the Bills must in all cases be made payable in London, and we shall not object to sanction a similar relaxation of the Regulations at your Presidency. You will distinctly understand however that no modification of this kind can be permitted without previous reference to us, and in case of such reference becoming necessary, we desire that you will furnish us with any information which you may be able to obtain as to the probability of an extensive or permanent demand for remittance to the proposed Port, in order that our judgment may be assisted in deciding upon arrangements with which considerable trouble and expense are connected for local management and superintendence.

6. Glasgow being the chief Port for the Cotton District of Scotland, as is Liverpool for that of England, we shall not object to advances on Goods consigned to that Port—such extension must take place upon the same conditions in every respect as those which we have laid down with regard to Liverpool.

FORT WILLIAM,

GENERAL DEPARTMENT, 26th JUNE, 1832.

All Public Officers of Government sending Advertisements to the *Calcutta Gazette* for Publication, are hereby directed to make them as short as possible, and to specify always how many times the Advertisement shall be repeated.

By Order of the Hon'ble the Vice President in Council,

H. T. PRINSEP, *Secy. to the Govt.*

FORT WILLIAM,

FINANCIAL DEPARTMENT,

27th JUNE, 1834.

Notice is hereby given, that under Instructions just received from the Honourable Court of Directors, the following Terms and Conditions for making Advances upon the Goods and Merchandise of Individuals intended for Consignment to England re-payable to the Court of Directors of the East India Company, have been substituted for those contained in the Advertisement of this Department, dated the 27th October 1834.

1st.—The parties to whom Advances may be made shall agree that the respective Consignments be delivered into such Warehouses as the Court of Directors may approve; and that they be subject to the Control of the Court of Directors until the lien of the Company upon the Consignment shall have been satisfied.

2d.—Upon each Consignment, the value of which is to be ascertained by the Officers of the Indian Government, or Authorized Agents of the East India Company, an Advance not exceeding two-thirds of such ascertained value will be made.

3d.—For re-payment of the Advance, Bills of Exchange to be drawn in triplicate, at six months sight, at the rate of—

s. d.

| | |
|---|---------|
| Per Company's Rupee for Advances made at..... | Bengal. |
| Ditto..... | Madras. |
| Ditto..... | Bombay. |
| Per Spanish Dollar, Ditto..... | China. |

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

6th.—An Agent in England shall be appointed for each Consignment, to whom the Court of Directors shall be empowered to make over the Goods, subject to all the conditions agreed upon with the Company, on payment of the Bills; and with whom they shall be authorized to transact generally all business relating to such Goods. The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England.

9th.—It is expected that Parties or their Agents will cause the Goods to be insured from fire, such Insurance to take effect from the date of the termination of the Sea risk; as the East India Company will not undertake to effect any Insurance upon them.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.
